TRENTON, N.J. (Oct. 14, 2014) – Monmouth and Salem County players split the Jersey Cash 5 \$163,526 jackpot for the Sunday, October 12 drawing making each ticket worth \$81,763. The Monmouth County ticket was purchased at Circle K #2520, 120 Carr Ave., Keansburg. The Salem County ticket was purchased at Pennsville News Shop, 233 No. Broadway, Pennsville.

Executive Director Hedinger said the winning tickets were the only two sold for Sunday's drawing that matched all five numbers drawn. The winning numbers were: 05, 11, 14, 29, and 31.

"We are thrilled that the winning jackpot tickets were sold at Circle K #2520 and the Pennsville News Shop," said Hedinger. "For selling these tickets, each retailer will receive a bonus check for \$2,000. Overnight, they have become two more 'lucky locations' for the very fortunate lottery winners."

Hedinger also noted that 2,720 other players won \$61,352 in cash prizes in the Sunday drawing. For correctly picking four numbers, 74 players won cash prizes of \$400 each, and for correctly matching three numbers, 2,646 players won \$12.00 each.
